## SPICE COMPANY

## LipSmacker Spice Co.

Where Flavour Begins Naturally!

At LipSmacker Spice Co., we believe in the power of purity. Nestled in the mountains of Mission, BC, our Sasquatch Farm is dedicated to cultivating our own herbs and spices, nurtured with pristine glacier water and grown in our carefully crafted soil blend and in house nutrients. We pride ourselves on avoiding any chemicals, ensuring that every herb and vegetable we harvest is as clean and nutritious as nature intended.

Once harvested, our fresh produce is freeze-dried to lock in its vibrant flavours and essential nutrients. This meticulous process allows us to create spice blends that are not only bursting with flavour but also packed with the goodness of nature. From our farm to your table, we mill each blend with precision, ensuring you receive the perfect flavour profile for your culinary creations. Experience the difference of farm-fresh spices with LipSmacker Spice Co., and elevate your dishes to a whole new level!
